Dear Sarah,

Re: self-certification against the G3 Licence Condition (Fit and proper Persons as Governors and Directors) for City Health Care Partnership CIC

Following a review of licence condition G3, the Directors of the Licensee confirm that the Licensee has not, in the financial year most recently ended appointed or had in place any person as a Director who is not fit and proper, within the meaning of licence condition G3(3).

'Director' is defined in licence condition D1 (Interpretation and definitions) and includes any person who performs the functions of, or functions equivalent or similar to those of, a director of a company constituted under the Companies Act 2006.

Dear Sarah,

Re: self-certification against the Continuity of Services Licence Condition 7 (Availability of resources) for City Health Care Partnership CIC for the period from 1st April 2025 to 31st March 2026.

- (a) After making enquiries the Directors of the Licensee have a reasonable expectation that the Licensee will have the Required Resources available to it after taking account distributions which might reasonably be expected to be declared or paid for the period of 12 months referred to in this certificate.

Accompanying statement

The Directors have considered the following factors when arriving at this conclusion:

- a) The organisation has a sound governance structure in place which is regularly reviewed regarding the management and monitoring of its resources
- b) The organisation regularly reviews its financial resources and maintains its financial facilities
- c) The organisation employs a workforce with appropriate and relevant skills, qualifications and experience
- d) The organisation manages the assets it requires to operate its business via a suitable asset register and contract/licence database
- e) The organisation reviews and maintains its working capital
- f) The organisation maintains a supplier relationship management tool to maintain the quality, value for money and contract management of all of its sub-contractors.
